RE: Docket W-02259A-07-0434

Extension of Certificate of Convenience and Necessity for Sections 16 and 28, T21N, R21W

This is in response to the **Procedural Order dated May 15, 2008**, requesting a late-filed exhibit with developer plans.

I have contacted both owners of the above referenced sections, and both have no plans to move forward with the development process under the current market conditions. The best guess for Section 16 is early 2009. Section 28 is owned by the State of Arizona, and per their representative, Ed Dietrick, their plans will depend on market recovery.

Therefore, there are no developer plans to be filed at this time.

Please call if you have questions, 1-800-524-6253.

Sincerely,

NORTH MOHAVE VALLEY CORP.

  
John McCormick  
Manager/Secretary-Treasurer
